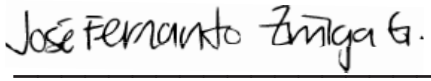
MPC Caribbean Clean Energy Limited - delay in submission of Unaudited Financial Statements for the fourth quarter ended December 31st, 2022.

The Board of Directors of MPC Caribbean Clean Energy Limited (MPCCEL) would like to advise that the Company's Unaudited Financial Statements for the fourth quarter ended December 31st, 2022 will be submitted after the due date of February 14, 2023. MPCCEL expects to be able to file its Unaudited Fourth Quarter Financial Statements on or before Tuesday, February 28, 2023.

The delay in filing the Unaudited Financial Statements is due to the additional time required to complete and finalize the valuation process of the Investment Company.

Yours faithfully



José Fernando Zuñiga Galindo, Director
