

ONE CARIBBEAN MEDIA LIMITED

CONSOLIDATED UNAUDITED RESULTS FOR FIRST QUARTER ENDED MARCH 31ST, 2020

CHAIRMAN'S STATEMENT

The Group recorded a good performance for the first quarter of 2020.

Net Profit of TT\$8.5M (US\$1.2M) improved by 15% over the comparative period 2019 notwithstanding a decline in revenues of 4%.

Group revenues were impacted in all territories as a result of the closure of businesses in mid-March in light of the measures implemented by the respective governments to control and contain the spread of Covid-19. It is expected that these revenues will continue to be challenged during the second quarter as Covid-19 regulations remain in force.

Developments are being closely monitored and our operations are being adjusted to ensure operational efficiency and to maintain quality service to our customers.

We remain confident that with the commitment of our teams and the business continuity strategies implemented, we are prepared to manage the foreseeable challenges while we continue to observe all recommended protocols and measures to ensure the health and safety of our employees and customers.
