On behalf of the management of MPC Caribbean Clean Energy Limited, this is to notify our shareholders that Interim Financial Statements for the first quarter ended March 31st, 2020 of the company are delayed longer than expected. The delay is based on the extended timeline in the services provided by the partners from various jurisdictions. Some of the relevant service partners are from jurisdictions strongly affected by the current COVID-19 pandemic. Some of those maintain a complete lockdown with an undefined duration. Therefore, the publication of the Interim Financial Statements for period ending 31st of March 2020 will be delayed for another 14 days with the expected submission on July 22nd 2020.

Yours faithfully
