

2020 YEAR END AUDITED FINANCIAL RESULTS

CHAIRMAN'S STATEMENT

In navigating the COVID-19 pandemic during the fiscal year 2020, our Group unwaveringly prioritised the physical, financial and psychological well-being of its people over short-term financial loss containment.

While the Group's results were inescapably impacted by the pandemic, the performance demonstrates the resilience of our business which faced the complete shutdown of our local Construction and Retail sectors for 3 months and the constraint placed on our Beverage business regionally due to the closure of bars, restaurants and hotels. However, we are pleased to report that our Media sector showed much improved results over prior years.

The Group generated revenue \$5.919 billion (\$6.593 billion – 2019) and Profit before tax (PBT) \$723.3 million (\$1.035 billion – 2019).

After-tax profit produced was \$503.8 million (\$776.3 million – 2019).

The Group's long-term financial position was strengthened with the gearing ratio, as measured by the total interest-bearing debt to shareholders' equity, being reduced to a robust 9.8% from 10.3%. We also continued to build a significant free-cash balance to position us to exploit attractive growth opportunities as evidenced by our recent acquisition of the Bank of Baroda. We therefore, are pleased to declare a final dividend of \$1.50 per share.

From the inception of the pandemic, the Group worked assiduously to implement COVID-19 protocols in our places of work to ensure our staff and customers' safety. Our employees led a National Applause initiative to honour frontline workers for their selfless work. The ANSA McAL Foundation's success-

ful "One Yard" virtual concert brought the region together to support children's education through remote learning. Our current "Small Dose of Hope" campaign uses top public health and academic experts to raise vaccine awareness and uptake. Importantly, no jobs were lost to the pandemic.

We are indeed proud of how we have prevailed through this debilitating global pandemic and how we have reaffirmed our Group as a resilient and socially responsible conglomerate, ideally positioned for recovery and a bright future. Thank you for your continued trust and support.
