Mr. Mark Loquan

Republic Financial Holdings Limited (RFHL) is pleased to announce the election of Mr. Mark Loquan to our board of directors, at the Company's Annual General Meeting (AGM), held on December 11, 2023. Mr. Loquan is the President of The National Gas Company of Trinidad and Tobago Limited (NGC). Since 2016, at the helm of NGC, he has led a process of transformation at the state enterprise, expanding the business portfolio across the value chain, streamlining processes with technology, and strengthening the Company's presence. He has advocated for greater collaboration across the local energy sector, on issues such as safety and sustainability, supply management, gas optimisation and energy efficiency.

Mr. Loquan has over 40 years experience in the petrochemical industry. He was appointed as the first local President of Hydro Agri Trinidad (now Yara Trinidad Ltd.), in 2002. In 2009, he was appointed President, Upstream Business Development for Angola/Sub Saharan Africa at Yara International. He also held the role of CEO, Yara Pilbara in Australia, where he was responsible for restructuring of an existing ammonia facility and integrating the site with a recently-constructed world-scale technical ammonium nitrate plant. The latter was a joint venture between Yara International and Orica.

A former Director of the Arthur Lok Jack Graduate School of Business and the Copyright Organisation of Trinidad and Tobago, (COTT), Mr. Loquan was also a former Vice Chairman of the Point Lisas Energy Association (PLEA), and a former Advisory Council Member for Arts, Letters, Culture and Public Affairs at the University of Trinidad and Tobago (UTT).

A passionate pannist, he is also an Honorary Founding Director of the NGO Music Literacy Trust, and served as the Musical Director of the first resident steelband in Perth, Western Australia – Perth Pandemix.
