A.S. Bryden & Sons Holdings Limited Officially Listed on the Trinidad and Tobago Stock Exchange

For Immediate Release

Port of Spain, August 29, 2025 – The Trinidad and Tobago Stock Exchange Limited (TTSE) is pleased to announce that A.S. Bryden & Sons Holdings Limited (Bryden's) has been officially listed on the Exchange.

The listing comprises 1.5 billion Ordinary Shares on the First Tier Market and 30 million Class A Preference Shares on the US Dollar Equity Market, marking a significant milestone for both the company and the local capital market.

This historic moment is made even more noteworthy by the method of listing. Bryden's entered the market by way of introduction—meaning that no new capital was raised through this transaction. Instead, the listing provides over 800 existing shareholders with the ability to trade their shares on the Exchange, while simultaneously creating opportunities for new investors to participate. This enhances overall market liquidity and strengthens the depth of investment opportunities available.

The TTSE also recognizes Republic Wealth Management Limited, the broker to this transaction, for its instrumental role in ensuring the process was guided by transparency, good governance, and investor readiness.

"At the TTSE, we remain steadfast in our commitment to fostering a marketplace that drives growth, resilience, and opportunity," said Ms. Eva Mitchell, CEO of the TTSE. "Bryden's entry into the First Tier Market demonstrates that our capital market is well-positioned to support companies at all stages of their journey—from emerging SMEs to long-established enterprises."

About TTSE:
